## PRODUCT SAFETY DATA SHEET

Regency Roast Sock™  
01/01/17

### SUPPLIER STATEMENT OF GUARANTEE for Regency Roast Socks™

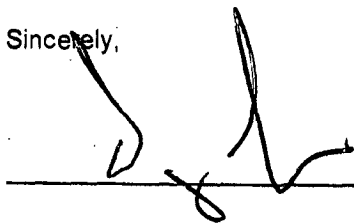

Our supplier certifies that the poly/cotton yarn in this product complies with the requirements of USA FDA CFR 21. All components are approved for use under this regulation and are suitable for use in packaging, transporting and holding foods. In addition, our products are safe for use in direct contact with Meat, Poultry and Food products.

Regency Roast Socks™, comply with the Federal Food Drug and Cosmetic Act and all accruable food additive regulations. Yarn finish is water-soluble. Components comprised of rubber, are made from natural latex.

- Poly/Cotton: unbleached, natural with no additives no oils
- No bitter or unpleasant flavor imparted to the enclosed food product

Letters have been received from all suppliers of rubber, polyester, and Natural cotton, used by our supplier in the preparation of the manufacture of tubular elastic netting, certifying that these products comply fully with the FFDCa and applicable food additive regulations, and amendments thereto.

Sincerely,

Date

1/1/17
